

2011 – 2012 Health Requirements Update

Attention Parents/Guardians:

New Pennsylvania immunization requirements for 2011 – 2012 school year:

- **ALL students need 2 doses of Varicella (chickenpox) vaccine or history of disease.**
- **In addition, children entering/attending seventh grade need:**
 1. **1 dose of Tdap (tetanus, diphtheria, acellular pertussis).**
 2. **1 dose of meningococcal (MCV) vaccine.**

Parents are asked to please send a copy of ANY HEALTH UPDATE(S) to the school nurse.

Please contact your healthcare provider to have these requirements completed and send the immunization dates to your school nurse.

Thank you for your cooperation!
